One hunnid
I know, I know, I know, I know, I know
They don't like me
I know, I know, I know, I know, I know
They don't like me
I know, I know, I know, I know, I know
They don't like me
It's so frightening

Young boy putting in gotta keep it one hunnid
Hood nigga look good and I'm with the shit nigga so she want me
I told her bring the pussy here, told her bring the pussy here
Told her bring the pussy here, told her bring the pussy here
I know niggas don't like me, I gotta keep it one thousand
Hood nigga look good and I'm with the shit nigga so she want me
I told her bring the pussy here, told her bring the pussy here
Told her bring the pussy here, told her bring the pussy here

I'm up now she down for it don't act up nigga
I'm up now she down for it don't act up nigga
I'm up now she down t for it don't act up nigga

I told her bring the pussy here, I'm trynna hit it from the rear
No love on this side only marijuana in the air
Codeine lean fein till I OD nigga what you mean
New bitch so thick she can't even fit it in her mamma jeans
Told her bring the pussy here
She got no plan she gon do me
She got no plan she gon do me
Nigga she a freak
She got no plans wanna stay the week
She got no plans wanna stay the week
But I gotta dip yeah

Young boy putting in gotta keep it one hunnid
Hood nigga look good and I'm with the shit nigga so she want me
I told her bring the pussy here, told her bring the pussy here
Told her bring the pussy here, told her bring the pussy here
I know niggas don't like me, I gotta keep it one thousand
Hood nigga look good and I'm with the shit nigga so she want me
I told her bring the pussy here, told her bring the pussy here
Told her bring the pussy here, told her bring the pussy here

I'm up now she down for it don't act up nigga
I'm up now she down for it don't act up nigga
I'm up now she down t for it don't act up nigga
I'm up now she down t for it don't act up nigga

[?] yall niggas waste time
Seen pussy on her facetime I don't really even got time
Hit me up I'ma pull up show you how we eat the pussy one time
I'ma hit it from the rear probably get it on the stairs
That same [?] I ain't even gotta pay for the
Pull up to my crib suck dick probably drip mayo
She stay down stay down for the boy to the knees for the boy no fail
You just a nigga she texting, I'm just the nigga she been with

Young boy putting in gotta keep it one hunnid
Hood nigga look good and I'm with the shit nigga so she want me
I told her bring the pussy here, told her bring the pussy here
Told her bring the pussy here, told her bring the pussy here
I know niggas don't like me, I gotta keep it one thousand
Hood nigga look good and I'm with the shit nigga so she want me
I told her bring the pussy here, told her bring the pussy here
Told her bring the pussy here, told her bring the pussy here

I'm up now she down for it don't act up nigga
I'm up now she down for it don't act up nigga
I'm up now she down t for it don't act up nigga
I'm up now she down t for it don't act up nigga

I told her bring the pussy here
Gotta touch it on my hair
This shit we smoke too loud probably break a chandelier
[?] fuck her in the bed looking in the mirror
[?] when we go to eat she wear no underwear
Told her bring the pussy here
She got no pants on everytime she at a nigga house
She gon make food coz I eat it good
She got no stress no not her don't trust any nigga but me
I do me, she do her but in the end she gon do me though
