West side where I'm from I represent yeah
West side where I'm from I represent yeah
I'm like Jesus to my niggas with the Bread
I'm like Jesus to my niggas with the Bread
Making sure that all my goons is fed yeah
Making sure that all my goons is fed yeah

Yeah what you know about that nigga
It's that wake up in the morning and light a fat ass blunt nigga yeah
It's that wake up in the morning with a nice bitch next to you
And you don't even know her name like that nigga
It's that fly shit nigga
It's that 012 straight up street shit nigga
This that you don't owe me shit, I don't owe you shit bag nigga
This that you ain't fire shit
This that you real for life

Pull up with a cheque yeah
Pull up with a cheque yeah
Yall gon make me pull up for my cheque yeah
Yall gon make me pull up for my cheque yeah
Please don't make me pull up for my cheque yeah
Please don't make me pull up for my cheque yeah
Please don't make me pull up for my cheque yeah

Please don't make me pull up for my cheque yeah
Please don't make me pull up for my cheque yeah
Please don't make me pull up for my cheque yeah
Please don't make me pull up for my cheque yeah
Please don't make me pull up for my cheque yeah

They ain't cut that cheque
I lost all respect
They grew snakes on their heads
Then I grew out my fears

Look at me now, I'm here
When yall ain't even there
When yall ain't even close
And I ain't started yet
They ain't cut that cheque
I lost a couple friends
A few are real out here
With them I share my bread
I'm Jesus incarnated
See all you need is patients
It's always worth the wait
Mama gave birth to greatness
See me and Mesh creators
Have them wish they made it
But only we can make it
They are weak like day 7 homie
We're the greatest
We the best to ever do it homie
They just faking
