A-Reece

Find me in the studio  
Where I do the Magic  
I just did my verses and I think I need some Adlibs  
Just to get you dabbing  
Dabbing to the AdLib  
Look at how I'm dabbing  
Dabbing to the AdLib  
I should call em Dablibs [x2]  
You ain't got a song if you didn't do the Dablibs  
Yeah we call em Dablibs  
Man we call em Dablibs  
We don't sing along if you didn't do the Dablibs  
Based on a true story

Yeah  
Need some re-enancements  
Oh boy  
We gon need some actors  
Momma on the phone asking if I'm really sure  
That I'm tryna carry on with this rapping, slime  
I think she already know the answer, slime  
All she had to do was put her hand up, yeah  
Started touching road  
Now I got a couple hoes  
Asking if I'm coming home  
Just imagine  
Young man, I don't trust nobody, I don't trust nobody  
Why nkare hao tlale [x2]  
Never caught a body  
But I know somebody  
That'll get somebody  
Who gon prolly put your work to silence  
Yeah I'm still the shit  
Ain't nothing changed  
Hold up wait  
Yeah I'm still the shit, diaper change  
Go ahead say my name  
Say my name  
Let me teach you how to play the game  
And I played away

Crazy way to start a song huh  
You niggas prolly thought you wouldn't get the work huh

I've been out the hood, tell me what's the word bra  
I heard ain't shit changed still these niggas hate the boy huh  
Fuck em all  
I got other shit to focus on  
Still ignore em  
I don't owe em shit  
Man I'm on my own  
Getting more vicious with the hits, better than before  
My new song is really with the shits, toilet paper roll  
I'm advancing and I know you see it  
They ain't talking about the thong when they say their city  
I say it on the microphone, while you niggas tweet it  
Either you got it or you don't  
Ain't nothing between it, oh God  
Ain't no love for that other squad, Hell naw  
Ain't no love for them other guys  
Open up you eyes, look through em, see the other side  
Man you'll realize the whole tiiiiime
