Look, fixated, got my mind tweekin'  
Kush gods in the coliseum  
Crush, roll, lick, lit up

Or maybe expose the reverend  
Sacrifices how they benefit  
But what do I know? I'm living my life  
When you talk back, it's arrogance  
Congregations no covenant  
Father tell 'em what you sellin' then  
Press on a button then we gettin' charged, we caught a murderous case  
Move like the Wayans in family affair, but this ain't no regular face  
They call it omerta, I keep it on low  
Blow us the minimum wage
