

# Off The Rip

A-Reece

Backwood on my lip  
Bracelet on my wrist  
I'm just high as fuck  
Got no fucks to give  
Dirty in my cup  
You can take a sip  
East side where I live  
They know I'm the shit  
They know I'm the shit  
They know I'm the shit  
People show me love  
Been that way since off the rip  
Yeah since off the rip  
Yeah since off the rip  
People show me love  
Been that way since off the rip  
Backwood on my lip  
Bracelet on my wrist  
I'm just high as fuck  
Got no fucks to give  
Dirty in my cup  
You can take a sip  
East side where I live  
They know I'm the shit  
They know I'm the shit  
They know I'm the shit  
Backwood on my lip  
Backwood on my lip  
They know I'm the shit  
They know I'm the shit  
Backwood on my lip  
Backwood on my lip  
Backwood on my lip  
Backwood on my lip  
People show me love  
Been that way since off the rip  
Backwood on my lip  
East side where I live  
They know I'm the shit  
They know I'm the shit  
They know I'm the shit
