Yo  
What's up world?  
It's your boy - A-Reece  
Baby Boy really a hazard  
Danville extension 3 native  
World, in the famous words of the legendary AKA (Rest in peace man)  
Nobody, got it like I got it where I came from  
Ask about me, man  
I just wanna take this moment to thank all my supporters, the s limes  
For having my back throughout all these years  
Damn, you know?  
Thank you for, growing with me  
Liftin' me up when I'm down, you know?  
Believin' in me when nobody else would but myself  
I would never take that for granted and I just want you to know  
I truly appreciate it, real shit  
Dawg, like, I been doin' this since I was only 16  
You know? Long nights in the studio makin' mixtapes and albums  
Doin' shows  
Gettin' on stages, doin' TV shows  
I mean, all that, all that, you know?  
I mean this music shit, man  
This is all I know, I don't know how to do anything else to be honest with you and-  
I guess the real question is "What's next?"  
What's next?
