

OVER ME

A-Reece

Yeah
Angels watchin' over me, pray to God my soul to keep
Brand new day, another cheque
Blessings raining over me
Hundreds piling over me, told her "Count it carefully"
Shit'll make your fingers bleed
I got seven-figure dreams
Out of sight but always on your mind
Forever hard to reach
I got used to letting go of friends, it wasn't hard for me
They could try to take me down, but they won't take this all from me
They won't take my artistry
This music is a part of me
Pardon me but fuck 'em, they don't wanna go to war with me
Niggas ain't as raw as me
My clique is full of gangsters dawg, yours is a sorority
No weapon formed against me shall prosper, not even sorcery
Lookin' up the sky I see my father smilin' over me
Pray to God my soul to keep
Brand new day, another cheque
Blessings raining over me
Hundreds piling over me, told her "Count it carefully"
Shit'll make your fingers bleed
I got seven-figure dreams
Out of sight but always on your mind
Forever hard to reach
That's why they can't get over me
That's why they can't get over me
Out of sight but always on your mind
That's why they can't get over me
