Fuck a critic and a gate keeper  
I can see that you rappers is folding  
And selling your souls for way cheaper  
Fuck em!

Bitch, you got ways of a floozy  
When I'm in your city it's looking like Martin Scorsese directed the movie  
Most of the niggas I'm with keep the piece like they wearing a robe and a ku fi  
I'll never play for a new team  
You niggas remind me of Druski

Them niggas really confuse me  
Go ahead and Google and you'll see  
You might even find it on You-T  
They wanted Family Feud between me and you  
Like Drizzy and Tunechi

Jody, I swear they don't know what they started  
Fuck all the haters, promoters and media bloggers  
I swear this is not what they wanted  
Fuck what they saying  
They know I ain't begging for shit  
I ain't even begging your pardon  
Fuck all these rappers  
We better off calling the rest of these niggas the dearly departed  
Uh!

Don't be ridiculous  
Wa bona lwena ra di kenela  
Nigga, don't scream all that shit in my ear  
Kante awitsi di boss wa di sebela  
Don't be ridiculous  
Pull up on me...  
(What the fuck did he just say?)  
Don't be ridiculous!

Where?  
On Earth?

Oh in the world or in the universe or  
No, I, no, not that I'm aware of  
Don't be ridiculous!

Do you want it in a subtitle or something?  
Bitch, all your sub tweets don't mean nothing  
I'm a fully blown real nigga that's all in your face  
Blowing smoke, mean mugging  
Don't start nothing, won't be nothing  
Don't get lost in the sauce, the streets watching  
Yeah, you niggas is better off beef squashing  
Yeah, you better off tough on 'em beats, cousin  
Huh, soon as you on, they calling you brody to get what they want  
They talking exposure, you tell 'em the price  
Then they second-guessing like you ain't been the one  
Second-guessing like they did what you done  
It's hella crazy, all this shit they be on  
But preparation meets dedication  
Man, I been about it  
Let a nigga be on

Don't be ridiculous  
Wa bona lwena ra di kenela  
Nigga, don't scream all that shit in my ear  
Kante awitsi di boss wa di sebela
