SET IN STONE

A-Reece

(Joey)
Yo-yo-yo-yo, yo
(Reece)
Yeah

You can't rain on my parade, my aura's bright as day
My skin is black as night but still I shine through all the shade (Yeah)
I send peace to my brothers, to Allah I send all the praise
As I walk through the valley, know I shall not be afraid

You never heard nothin' like it, let's be honest
Droppin' bombs like atomic, me and twin back with the sonics (Facts)
That shit that make 'em vomit
Make the haters sick to they stomach
Ain't with us then fuck it
These rappers lead they ass in the rubbish
Just me and my brother, not Jody but I'm Joey (Uh)
I been hella lowkey gettin' money, you know the motive (Yeah)
Feelin' born again for them niggas who think they know me (Uh huh)
Swear they be my kids, pay for it, you niggas owe me (Yeah, for real)
(Yeah)

I heard the beat and I ain't know what to write
The first line – should it be about the clothes or the ice?
Maybe somethin' Nas like – like, what would Nas write? (Right?)
Turn this up a little, tell me what it sounds like (Yeah)
Show some respect when you see us in public
'Cause you can hate this all you want, nigga, the streets is gon' love it (Uh huh)
Credit to the Man above us, yeah
Proud of my brothers
From gun magazines to front magazine covers
Dawg, it gotta mean somethin'
This ain't for the feeble (Nah)
I get empowered when I'm seein' progress in my people (Yeah)
We might not be related but we move like distant cousins
Twins (Yeah), that's how it is and how it's always been
Let it teach you, we burn it up to cast away the evil
You know that Baby Boy and Joey duo's very lethal
Flyer than a handbill, higher than a bald eagle
But I still remain grounded like the surface right beneath you

You can't rain on my parade, my aura's bright as day
My skin is black as night but still I shine through all the shade (Yeah)
I send peace to the brothers, to Allah I send the praise (Amen)
As I walk through the valley, know I shall not be afraid (Yeah)

(I like it)
