

## the get back

A-Reece

Rillo (Rillo)  
Yeah, yeah

I know my enemies wanna come for me  
I know my energy makes them run from me  
I know my enemies wanna come for me  
I know my energy makes them run from me

Wait, hold up bitch (Hold up)  
Back up bitch, when I'm rollin' up my weed (Woo, yeah)  
Hennessy in my cup, V.S.O.P  
When I mix it up, bitch, I feel like Felo Tee (Yeah)  
And I'm gettin' drunk tonight, bitch, that drink ain't cheap (Nah, no)  
But when I'm working I get that shit for free (Okay, let's go)  
I know my purpose, I'm rich off MP3's (Ayy, yeah)  
(Na na na na na na, yeah)  
That shit so perfect I had to let it breathe

Type shit  
I don't fuck with none of that hype shit, fly by night shit  
I'm workin' overtime on the night shift  
That's why the number one spot is in a vice grip  
How you gon' say you don't like this, turn around then go to studio to bite this?  
(I'm shitting on you and your sidekick)  
Catch me a body, I might just  
You trolling at the bottom when you drop  
You got the wrong idea of a drop  
You rap a little but you talk a lot  
I rap a little then I make a lot  
From the bottom I just made it out  
Still breathin' even at the top  
I coulda done it with you or without  
Fuck you niggas even talkin' 'bout? (Fuck is you talking 'bout nigga? Shut Up)  
Bet you niggas thought I'm runnin' out  
When all I did was take another route  
I run the game the way you run your mouth (Shh, shh, yeah)  
Might be time for you to quiet down  
It's time for me to do the talkin' now  
I just want my credit, nigga, fuck a crown (Yeah, yeah)

I know my enemies wanna come for me  
I know my energy makes them run from me  
I know my enemies wanna come for me  
I know my energy makes them run from me
