

## The Preamble

A-Reece

Yo everybody calm down  
Everybody in the front calm down  
There's security around the building, calm down  
Everybody calm down in the front  
Everybody calm down  
Everybody let's all play safe, let's all party safe how about that  
(Crowd screaming)  
Let's go

I was too busy, there were great days, there was a lot of excitement, there really was  
Because there was a lot of, imagination  
If we could create a whole world in the mind of the listeners  
Simply by using sound

I need everybody to put up their hands like this
