A-Reece

Eh (Eh)  
Eh (Eh)  
Once again, once again (Once again)  
Eh (Eh)  
Eh (Eh)  
Yeah  
(Damn Sundae, Sundae)  
Yeah

You doin' too much  
The way you make that body work, you doin' too much  
We could do it on your office table, make you move stuff  
Take you all around the world, I'm doin' too much (Ayy)  
You doin' too much  
The way you make that body work, you doin' too much  
We could do it on your office table, make you move stuff  
Take you all around the world, I'm doin' too much, too much (Ayy)

Eh  
Eh (Eh)  
Take you all around the world, I'm doin' too much, too much (Ayy)  
Doin' too much (Uh)  
Baby, you doin' too much  
You doin' too much  
Somebody had to tell you that you doin' too much

Girl, we doin' so much, we just gotta do us  
I know you a keeper, you ain't gotta say much  
Take away your freedom, I would never do such  
I know that they see us every time we pull up (Scrr, uh)  
We just gotta do us  
I know you a keeper, you ain't gotta say much  
Take away your freedom, I would never do such  
I know that they see us every time we pull up  
They can look but can't touch

Eh  
Eh (Eh)  
Take you all around the world, I'm doin' too much, too much (Ayy)  
Eh  
Eh (Eh)  
Take you all around the world, I'm doin' too much, too much (Ayy)

You the one and only  
Girl, I told you, you the one and only (Ayy, yeah)  
You the one and only  
Only ones with a table at the One and Only (Wait, yeah)  
You the one and only  
Girl, I told you, you the one and only (Yeah)  
You the one and only  
Only ones with a table at the One and Only  
I could make it happen if you put it on me (Yeah)  
Look what happens when you put it on me (Yeah)  
Baby, put it on me  
Girl, I told you, you the one and only (Ayy, uh)  
You the one and only
