

## She's Killing Me

## A Rocket to the Moon

All my friends are coming over  
And I hope nobody told her  
She has a way of turning sunshine into rain  
I've got on that shirt she hates  
I just know that face she'll make  
Even though it hurts  
She's my favorite pain  
She never drives her car  
She drives me crazy  
She ran out of gas  
And somehow I'm to blame

I'll take her out  
Drop her off  
On the outskirts of our town  
I'll leave a trail of roses that lead back home  
(So come back home)  
She'll pick a fight for no good reason  
She knows I'll never leave  
I love her half to death  
But she's killing me

All my friends  
They say they like her  
But I know behind my back  
They think the same things that I do  
She spends her daddy's credit cards  
And says that I'm the one who's lazy  
She's like a dream and a nightmare coming true

I'll take her out  
Drop her off  
On the outskirts of our town  
I'll leave a trail of roses that lead back home  
(So come back home)  
She'll pick a fight for no good reason  
She knows I'll never leave  
I love her half to death  
But she's killing me

And I wouldn't have it any other way  
She can change her clothes  
She can change her hair  
But she'll always be the same  
So I went out and bought her roses  
She complained about the thorns  
I caught her smiling  
And that's what I do it for

I'll take her out  
Drop her off  
On the outskirts of our town  
I'll leave a trail of roses that lead back home  
(So come back home)  
She'll pick a fight for no good reason  
She knows I'll never leave  
I love her half to death

Oh, yeah, I love her half to death

I'll take her out

Drop her off

On the outskirts of our town

I'll leave a trail of roses that lead back home

(So come back home)

(Love her half to death)

She'll pick a fight for no good reason

She knows I'll never leave

I love her half to death

But she's killing me

She's killing me

Oh, oh
