

According To Columbus

A Skylit Drive

Save me
The skin that's stretched across your bones
The scent that lacks the innocence I know

Cold front coming
Like blisters, forming
Through your pores
Believe me
You'll trust me darling
I'm the sword inside your stone

The rest of your life,
May it rest, in my eyes
Let me show you what it's like

The rest of your life,
May it rest, in my eyes
Let me show you what it's like

Meet me, at the skylines
I'll wait for you to go
I'll wait for you to go

Meet me, at the skylines
I'll wait for you to go
I'll wait for you...

Save me
The skin that's stretched across your bones
The scent that lacks the innocence I know

Cold front coming
Like blisters, forming
Through your pores
Believe me
You'll trust me darling
I'm the sword inside your stone

The rest of your life,
May it rest in my eyes
Let me show you what it's like

The rest of your life,
May it rest, in my eyes
Let me show you what it's like

Meet me, at the skylines
I'll wait for you to go
I'll wait for you to go

Meet me, at the skylines
I'll wait for you to go
I'll wait for you...

Meet me at the skylines,
I'll wait, for you
Meet me, at the skylines

Meet me
Meet me
Meet me, at the skylines
Meet me at the skylines,
I'll wait, for you

I don't think you know,
What these words mean
I don't think you know
What we could be
But I will wait forever,
Cause I think you're the one

I don't think you know,
What these words mean
I don't think you know,
What we could be
But I will wait forever,
Cause I think you're the one

I don't think you know
