According To Columbus

A Skylit Drive

Save me The skin that's stretched across your bones The scent that lacks the innocence I know

Cold front coming Like blisters, forming Through your pores Believe me You'll trust me darling I'm the sword inside your stone

The rest of your life, May it rest, in my eyes Let me show you what it's like

The rest of your life, May it rest, in my eyes Let me show you what it's like

Meet me, at the skylines I'll wait for you to go I'll wait for you to go

Meet me, at the skylines I'll wait for you to go I'll wait for you...

Save me The skin that's stretched across your bones The scent that lacks the innocence I know

Cold front coming Like blisters, forming Through your pores Believe me You'll trust me darling I'm the sword inside your stone

The rest of your life, May it rest in my eyes Let me show you what it's like

The rest of your life, May it rest, in my eyes Let me show you what it's like

Meet me, at the skylines I'll wait for you to go I'll wait for you to go

Meet me, at the skylines I'll wait for you to go I'll wait for you...

Meet me at the skylines, I'll wait, for you Meet me, at the skylines Meet me Meet me Meet me, at the skylines Meet me at the skylines, I'll wait, for you

I don't think you know, What these words mean I don't think you know What we could be But I will wait forever, Cause I think you're the one

I don't think you know, What these words mean I don't think you know, What we could be But I will wait forever, Cause I think you're the one

I don't think you know
