

Let Go

A Static Lullaby

Drink up baby down
Are you in or are you out?
Leave your things behind
Because it's all going off without you
Excuse me
Too busy
You're writing your tragedy
These mishaps
You bubble-wrap when
You've no idea when you're like

Let go

So let go
Don't jump in
Oh well, what you waiting for?
And it's alright
Because there's beauty in the breakdown
Let go
So let go
Just get in
Oh, it's so amazing here
And it's all right
Because there's beauty in the breakdown

It gains the more it gives
And then it dances with the fall
So honey back for more
Can't you see that all that stuff's essential?
Such boundless
Pleasure, we've no time for later now
You can't await
You roll your eyes means
You've twenty seconds to comply

Let go

So let go
Don't jump in
Oh well, what you waiting for?
And it's alright
Because there's beauty in the breakdown
Let go
So let go
Just get in
Oh, it's so amazing here
And it's all right
Because there's beauty in the breakdown

When you here
You're here
When you're here
You're here

Drink up baby down
Are you in or are you out?
Can't wait

You roll your eyes
Twenty second to reply

So let go
Just jump in
Oh well, what you waiting for?
And it's alright
Because there's beauty in the breakdown

Let go
So let go
Just get in
Oh, it's so amazing here
And it's all right
Because there's beauty in the breakdown

Let go

So let go
Just jump in
Oh well, what you waiting for?
And it's alright
Because there's beauty in the breakdown
Let go
So let go
Just get in
Oh, it's so amazing here
And it's all right
Because there's beauty in the breakdown
