

Take The Boogae Or Leave It

A Taste Of Honey

Take the boogae or leave it...

I saw you standing there
Looking so good to me
Now how was I supposed to know
That you weren't there to get down, babe
You were there just to sightsee, yeah

I asked you to dance
But you were too busy for me
I gave you the chance, but
But you threw it away

Well, you can take the boogae or leave it
Take the boogae or leave it
Said you can take the boogae or leave it
Take the boogae or leave it

The night is so very young
Not gonna let you spoil my groove
Now I came out to party down
So step aside, baby
And watch me move, yeah

I asked you to dance
But you were too busy for me
I gave you the chance
But you threw it away

Well, you can take the boogae or leave it
Take the boogae or leave it
Said you can take the boogae or leave it
Take the boogae or leave it
Take the boogae
Take the boogae
Now you can take
