Hi and Goodbye

I see you walking down the street I catch your eye before we meet But you look down to check your feet I wish I'd say are you okay? You're looking better everyday But I just smile and walk away Why did two lovers End up like strangers When did we stop seeing eye to eye

[CHORUS] Everyday you took my breath away But now theres no reply Only hi, goodbye Like a dream come true When it was me and you Now I just don't know why We say hi and Hi and goodbye (Hi and goodbye)

I know it sounds like a cliche But when I pass our old cafe It always feels like yesterday (like yesterday) We shared a blanket in the cold To give a promise made of gold We had a deal through heart and soul Why did two lovers End up like strangers When did we stop seeing eye to eye

[CHORUS]

I remember the way We always had words to say And nothing could tear us apart I knew you by heart We were eye to eye Now we're only hi and goodbye (Hi and goodbye)

[CHORUS 2x]

Hi and goodbye (goodbye) Hi and goodbye Hi and goodbye (ooh ooh ooh ooh) Hi and goodbye (goodbye) A*teens
