

## Slammin' Kinda Love

A\*teens

The days that I've spent apart from you  
Have been really hard for me  
I wanted to be so close to you  
And to live my fantasy

Now you've got me climbing on the walls  
I can't wait to put down my books and run to you  
And now I'm just waiting for your call  
Let's go driving down by the sea tonight, baby

Cause all that I've got  
I wanna give you  
Over and over and over again

Baby I am down  
With the games you wanna play  
You have got me going now  
In every single way  
I know you can give me  
The things I'm dreaming of  
You and me baby we've got  
A slammin' kind of love

The way that you're moving to the beat  
It's impossible to not look at you, baby  
I wanna stay closer to your heat  
There's a fire burning inside my body girl

And all that I've got  
I wanna give you  
Over and over and over again

Baby I am down  
With the games you wanna play  
You have got me going now  
In every single way  
I know you can give me  
The things I'm dreaming of  
You and me baby we've got  
A slammin' kind of love

I will give you the world give you the world  
Give you the world, give you all my loving  
Baby, baby let me give my love to you  
I will give you the world give you the world  
Give you the world, give you all my loving  
Over and over and over again
