

Roll On

A Thousand Horses

Baby, get them wheels turning
Let that screen door slam
Hit that healing highway
Just like we had planned
If you think about looking back, don't
Just roll on

Roll on like thunder in the summer
Cut loose like a south bound runaway train
Roll on into town in a driving rain
Like a heart broke hurricane
Hit the gas on the past
Don't waste one minute, baby, get here fast
Let them tables turn and him wake up alone
Roll on

Let tonight be that someday
We always talked about
Let that dream that we been dreaming
Be right here right now
Put some long in that gone
And let that stone

Roll on like thunder in the summer
Cut loose like a south bound runaway train
Roll on into town in a driving rain
Like a heart broke hurricane
Hit the gas on the past
Don't waste one minute, baby, get here fast
Let them tables turn and him wake up alone
Roll on

Let me fix that lonesome in your song
Roll on
Go right where he went wrong
Where he went wrong

Roll on
On and on, and on, and on
On and on, and on, and on
On and on, and on, and on
Mmmmm
On and on, and on, and on

Roll on like thunder in the summer
Cut loose like a south bound runaway train
Roll on into town in a driving rain
Like a heart broke hurricane
Hit the gas on the past
Don't waste one minute, baby, get here fast
Let them tables turn and him wake up alone
Let them tables turn and him wake up alone
Roll on
Roll on
