

Cornice Dance

A Toys Orchestra

Hey!what has happen to your charme?
Have you let go my darling?
I think we've no more time
Your heels are wearing down by now!
Lets put the nails under the shoes
And swallow hunks of plumb
...how says the saying...
"stay with your feet on the ground"
Ooh baby baby! Please don't leave me now!
I promise you i will remain quiet
I promise you that i'll destroy everything all around!
Stop with the idle-talk!
With this onion ring i marry you my darling!
...so i'm sure for me you'll cry!
I've got the magic pill
When you swallow it count from one to three
And then repeat...repeat aloud:
"i can survive! I can survive!"
Then what about my coerence?!?
No enemies no friends
Come on!!! Give me a bandage!
I'm the king of the cornice dance!!!
I'mgoingroudthebendi'mgoingroudthebend
I'mgoingroundthebendi'mgoingroundthebend
What the hell!
Is better to break or bend?
Ooh baby baby! Please don't leave me now!
I promise you i will remain quiet
I promise you that i'll destroy everything all around!
