Invisible

A Toys Orchestra

Invisible
I wish i was invisible
And feign to be the wind
...and slam the doors
Whenever you stay home alone
And blow away
The farewell letters
Cause i can't believe!
...i can't believe!
But i'm triyng
Unremarkable
Just another roll of flaws
A birthday cake
Without candles
...but i'm the wind
That breaks off the cross
I'm the wind
And finally i scream!
I can't believe! I can't believe! I can't believe!
I can't believe! I can't believe! I can't believe!
I can't believe! I can't believe! I can't believe!
I can't believe! I can't believe! I can't believe!
...but i'm triyng
And i don't mind where and why
...i'm triyng
And i don't care what i'm praying
I'm a liar!
...but i'm invisible
Please! Please!
Let me believe this
