

I Can't Escape

A Vain Attempt

You screaming back, you think that I'm okay, just to you, but I lied, to make a difference, I'm hiding myself just tonight.

Those razors hurt, I can't feel fine my love here tonight, tonight.

Bye bye to this, I can't feel fine my love here tonight, tonight
.

I seem to be away and you will push me on and on and on,
I see the light I can't escape.

I seem to be away and you will push me on and on and on,
I see the light I can't escape.

You screaming back, you know that I obey, just tonight, I have so much pain, YOU! I caused myself harm, for you right now.

Those razors hurt, I can't feel fine my love here tonight, tonight.

Bye bye to this, I can't feel fine my love here tonight, tonight
.

I seem to be away and you will push me on and on and on,
I see the light I can't escape.

I seem to be away and you will push me on and on and on,
I see the light I can't escape

This will be the last time I talk to you, for right now, I say
I hate you
What you did to me right now I can just say I hate you.

I seem to be away and you will push me on and on and on,
I see the light I can't escape.

I seem to be away and you will push me on and on and on,
I see the light I can't escape.

I can't escape from you, escape from you, escape from you, you did to me, I can't escape your hell, right now it hurts.
