

Dark Red

A-Wall

(Wait what)

There's something bad that's about to happen to me
I don't know it but I feel it coming
It may be [?] it may be my nose running
I just hope she don't wanna leave me

Don't you give me up
Please don't give up
Honey I belong
With you and only you
Baby (only you baby) you (only you darling)
Baby (only you baby) you (only you darling only you)

There's something bad that's about to happen to me
Why I feel this way I don't know maybe
I think I've heard so much it drives me crazy
I just don't want her to leave me

Don't you give me up
Please don't give up
Honey I belong
With you and only you
Baby (only you baby) you (only you darling)
Baby (only you baby) you (only you darling only you)

(Hey, ya
Hey hey hey hey
Hey hey hey hey
Hey hey hey hey
Hey hey hey hey
Go crazy, go stupid)
What if
She's fine
It's my mind that it's wrong
And I just
Let the bad thoughts
Linger for far too long

What if (if) she's fine (fine)
It's my mind that it's wrong
And I just (just) let the bad thoughts (thoughts)
Linger for far too long

Don't you give me up
Please don't give up
Honey I belong
With you and only you
Baby (only you baby) you (only you darling)
Baby (only you baby) you (only you darling only you)
