

Deja Vu

A-Wall

I think there's something wrong with me

Fuck it up slide
Said she wanna spend some time
Put it on autopilot
I don't wanna miss my flight
This that 214
This that 915
I don't wanna risk my life
Put it on
Put it on
Ooh
It's gettin' ugly but I been here before
You say you love me but I been here before
This feel like deja vu
Yeah
And ooh
I can't explain it but I been here before
I can't erase the blood I been here before
This feel like deja vu-u-u-u-u

So come on
Let's go
I can't
Let go
'Cause I-
Been here before - I
Been here before - I
Been here before - I
Been here before - I

So come on
Let's go
I can't
Let go
'Cause I-
Been here before - I
Been here before - I
Been here before - I
Been here before - I

Fuck it up slide
Said she wanna spend some time
Put it on autopilot
I don't wanna miss my flight
This that 214
This that 915
I don't wanna risk my life
Put it on
Put it on
Ooh
It's gettin' ugly but I been here before
You say you love me but I been here before
This feel like deja vu
Yeah
And ooh
I can't explain it but I been here before

I can't erase the blood I been here before
This feel like déjà vu-u-u-u-u

Don't waste my time
Don't waste my time
Don't waste my time
Don't waste my time
Don't waste my time
