

Don't Pretend

A-Wall

Yeah

I'm sure that you already know
Don't pretend baby
Don't pretend

I'm no spy
But I can tell that guy is not your type
And I'm sure that you already know
But why
Don't pretend baby
Don't pretend
I'm no spy
But I can tell that guy is not your type
And I'm sure that you already know
But why (why why)
Don't pretend baby
Don't pretend

I'm poppin like the soda and the lollies
I can't work without the party
Its a shame he brought bacardi, b
Piña colada pharmacy
The rum can't keep the truth in me
Like lucifer keep using me
To brew some lucid artistry
We signed, but I don't know the fees
Just hoping that youd notice id
Give you have or more of mine
No breaks its always show time
Puppet please hold my lines
Id love to be your lonely mime
But fuck a bill and fuck a fine
Leave you be with the local kind

I'm no spy (no spy no spy no spy)
But I can tell that guy is not your type
And I'm sure that you already know (already know)
But why (yeah yeah)
Don't pretend baby
Don't pretend

Cuidado con el habla las palabras que se cumplen (uh)
Ahora el amor Qué atravieso es de Peluche (uh)
Caramelos en mi ventanilla
El mundo me persigue como la soledad
¡De la chilindrina!
Qué es lo hay Qué decir
No hay tiempo par mentir
Ese muchacho ya sabes
No pinta Qué es para ti
No sere un agente double O! (Double O!)
Pero ya sabes Qué no hay Qué fingir
(Aye)

I'm no spy (no spy no spy no spy)
But I can tell that guy is not your type
And I'm sure that you already know (already know)

But why (yeah yeah)
Don't pretend baby (yeah yeah)
Don't pretend (yeah yeah)
I'm no spy (no spy)
But I can tell that guy is not your type
And I'm sure that you already know (you already know)
But why (yeah yeah yeah)
Don't pretend baby (woo!)
Don't pretend
