

Fuzzy Dice (Interlude)

A-Wall

Oh, I just fucking crashed, motherfucker
One hundred miles out the glass, motherfucker
Brain splattered on my dash, motherfucker
Blood face like a mask, motherfucker
This shit more than whiplash, motherfucker
Somebody call the ambulance, motherfucker
I know my mom about to spaz, motherfucker
Cause if I'm there she'd whoop my ass, motherfucker
Motherfucker

Yeah, I got these fuzzy pink dice
I'm gonna drink and then drive
Yeah I run a hundred red lights
I'm gonna gamble my life
Yeah, I got these fuzzy pink dice (yeah, fuck)
