

LEMONADE

A-Wall

Don't make me waste my time for some lemonade
Baby, for some lemonade
Don't make me waste my time for some lemonade
Baby, for some lemonade
You sellin' that thing
Baby, sellin' that thing
Sellin' that thing
Baby, sellin' that thing
Don't make me waste my time for some lemonade
Baby, for some lemonade

So what you waiting for?
You got one foot out the door
So just leave me
Sorry sweetie
I ain't mean it
Got withdrawals
I been fiendin'
I just need another day
So I could taste that lemonade

What's the price, what's the price
For a tall with no ice
Not a small, not venti, just a medium
When it's cold then it's nice
And make it how I like
And it only really needs 3 ingredients
Sugar for the taste cause the lemon's kinda sour
Mix it with the water then you set it for an hour
Hoping I can stay for the time that it takes
Cause you make the best of my favorite kind of drank

Don't make me waste my time for some lemonade
Baby, for some lemonade
Don't make me waste my time for some lemonade
Baby, for some lemonade
You sellin' that thing
Baby, sellin' that thing
Sellin' that thing
Baby, sellin' that thing

Ahora, solo ahora, por la hora
Cuando estoy contigo
Ya sabes Qué todo se mejora
Mona Lisa, con la risa
Cuando no estamos juntos Le pido al tiempo qué porfas sea buena onda y se de prisa
UH
Le digo al sol Qué baje de peso y que empieze a correr
Qué cae bien Gordo porque no sabe mover
La Luna me Platica Qué me extrañas
Te salvo la Soledad
Por la ciudad
;como una Araña!
Super poderes
Te van hacer reir
Escucharas cosas Qué no has escuchado ni un hombre decir

Y
Gracias
Qué sin ti
No habia sentido Qué vivi
Por el mural por cual pintamos
Estoy Feliz
Siempre estar un lado de ti

You're not a bad girl they're just tryna see you work
You're not a bad girl
Honey I love the way you work that thing
Baby work that thing
Work that thing nine to five

Don't make me waste my time for some lemonade
Baby, for some lemonade
Don't make me waste my time for some lemonade
Baby, for some lemonade
You sellin' that thing
Baby, sellin' that thing
Sellin' that thing
Baby, sellin' that thing
