### A-Wall

Hold up wait a minute...

I get down on the weekends  
I just feel like getting loose  
I got liquor in my system  
Homies made the jungle juice  
DJ A-Wall drop the beat on 'em  
He be chillin the booth  
I ain't showed off in a minute  
Gotta show em how I do  
They can't stunt on my footwork  
I be walking on the moon  
I can see you from the distance  
Know you like the way I groove  
I been dancing on my own girl  
Come and show me how you move  
You been standing all alone girl  
I can make that body move

Come get down with me  
Who cares if they see?  
They wish they could be  
Smooove as you and me  
It's just you and me  
It's just you and me  
No one cool as you  
Swear I vibe with you  
Know you like it too  
Show 'em how you groove  
Make that body move  
Make that body move  
Dancing in the sun  
Dancing in the dusk  
We just having fun  
We don't give a fuck  
We can't get enough  
We can't get enough  
Y'all can't hit the steps  
Y'all don't understand

Watch the way I dance  
Hope it never ends
