

# Nightcrawler

A-Wall

What can I get as a scholar?  
That I cannot get with a dollar?  
How you gon' tell me?  
How you gon' tell me?  
How should I spend my dollars?  
I feel like a midnight crawler  
When I'm selling packs of my stardust  
How you gon' tell me?  
How you gon' tell me?  
How should I spend my dollars?

How should I spend my, spend my?  
How should I spend my dollars?  
How should I spend my, spend my?  
How should I spend my dollars?  
How should I spend my, spend my?  
How should I spend my dollars?  
How should I spend my, spend my?  
How should I spend my—  
Fuck that

That shit expensive don't touch that  
They said I'm making a comeback  
Then why do I feel like a hunchback?  
I carried the 'plex  
I'm onto the next  
I hopped out the jet and I stuck that  
I'm above that  
And I love that  
Where you be placing your trust at?  
Don't play with me girl I'm a scumbag

What can I get as a scholar?  
That I cannot get with a dollar?  
How you gon' tell me?  
How you gon' tell me?  
How should I spend my dollars?  
I feel like a midnight crawler  
When I'm selling packs of my stardust  
How you gon' tell me?  
How you gon' tell me?  
How should I spend my dollars?

How should I spend my, spend my?  
How should I spend my dollars?  
How should I spend my, spend my?  
How should I spend my dollars?  
How should I spend my, spend my?  
How should I spend my dollars?  
How should I spend my, spend my?  
How should I spend my—  
Fuck that

I just need someone to help  
'Cause I can't do this by myself  
And all my friends are doing well  
And I'm down bad but they can't tell

What can I get as a scholar?  
That I cannot get with a dollar?  
How you gon' tell me?  
How you gon' tell me?  
How should I spend my dollars?  
I feel like a midnight crawler  
When I'm selling packs of my stardust  
How you gon' tell me?  
How you gon' tell me?  
How should I spend my dollars?
