

The Big U

A-Wall

Welcome to the Big U
Damn, this a big school
Kinda like a big blue ocean I just swim through
Welcome to the Big U (the big U)
I'm only here cause I have to (cause I have to)
Welcome to the Big U (woah)
Damn, this a big school (woah)
Kinda like a big blue ocean I just swim through (woah)
Welcome to the Big U (the big U)
I'm only here cause I have to (cause I have to)

Wel-welcome to the Big U
Don't know how to get through
Maybe I got issues
Think I lost a few screws
I just had a few brews
Met a couple new dudes
That say that shit do to
But I might have to undo myself from the class
My professor so trash
Only worried bout my cash
They don't care if I pass
100k on my head, they gon' guarantee that
Another job, another desk, 30k, do the math

And they tell me, hold on
You just gotta hold on
Boy, you better hold on
Know you need to hold on

Welcome to the Big U
Damn, this a big school
Kinda like a big blue ocean I just swim through
Welcome to the Big U (the big U)
I'm only here cause I have to (cause I have to)
Welcome to the Big U (woah)
Damn, this a big school (woah)
Kinda like a big blue ocean I just swim through (woah)
Welcome to the Big U (the big U)
I'm only here cause I have to (cause I have to)

Hold on
You just gotta hold on
Boy, you better hold on
Know you need to hold on
Hold on
You just gotta hold on
Boy, you better hold on
Know you need to hold on
