

# Touchdown

A-Wall

Yeah yeah  
Yeah yeah  
Yeah  
Hold on  
Look around you  
Yeah yeah  
Look  
Look around you  
Look around  
Don't look down

I think that I'm free falling to my death  
There's no one left to catch me now  
I don't wanna let you down  
I don't wanna touch the ground  
There I go, there I go, oh  
Don't skip this  
I think that I'm free falling to my death  
There's no one left to catch me now  
I don't wanna let you down  
I don't wanna touch the ground  
There I go, there I go, oh

I remember that shit like it was yesterday  
It's a wild story cause a lot has changed  
And it's been too long but I'm not same  
I was going through some shit while I was M.I.A  
Now I'm... elevated  
But I still can't tell if it's resonating  
But I still can't tell why I'm hesitating  
Is this really how it feel when you finally made it?  
You're like a Disney channel star that took it too far  
Running outta time, now you're living in your car  
Running from the past but you're running in the dark  
And somewhere down the line you forget just who you are  
But oh my God, I'm trending number five, yeah  
Oh my God I feel like could fly, yeah  
Oh my God I never been so high, yeah  
All my life been waiting for this, hol' up

Tell me what you're waiting for  
(A-Wall the new shit, A-Wall the new shit  
If you not with it then get the fuck out of here I don't even wanna see you)  
Tell me what you're waiting for  
(Tell 'em, tell 'em, tell 'em, tell 'em)  
Tell me what you're waiting for  
(Tell 'em, go ahead, tell 'em, tell 'em)  
Tell me what you're waiting for  
Yeah

Still doubt myself, I still doubt myself  
I still doubt these rings, I still doubt my belt  
I still got some things to learn 'bout myself  
I'm still not myself, I'm still not myself  
I can't feel my veins, I can't feel myself  
I can't feel my pain, I can't heal myself  
I can't jump out of the plane, I might kill myself

I can't kill myself, I can't kill myself

Nah, fuck that  
Tell me what you're waiting for  
No I'm good, for real  
Tell me what you're waiting for  
I'ma stay right here

I think that I'm free falling to my death  
There's no one left to catch me now  
But I don't wanna let you down  
I don't wanna touch the ground  
There I go, there I go, oh  
Don't skip this  
I think that I'm free falling to my death  
There's no one left to catch me now  
But I don't wanna let you down  
I don't wanna touch the ground  
There I go, there I go, oh
