

Watcha Say?

A-Wall

Watcha say?
I'm sorry baby but I'm all out of love (Watcha say?)
See I been saving it for somebody else (Watcha say?)
Got me saying why-y-y
Got me saying why-y-y
Got me saying
I'm sorry baby but I'm all out of love
Watcha say?

I hope you know it's gon' be hard to find another
Motherfucker
A lover
Like me
It's no other
It's no other
Yeah yeah
I hope you know it's gon' be hard to find another
Motherfucker
A lover
Like me
It's no other
It's no other yeah
Watcha say?

You had me talking nonsense
I'm off this!
You got me talking to homies about missing ya
Kissing ya
So I placed my bets
And lost my time
I gave you my all
The times at the mall
False promises
Listening to Mana
And Nicki Minaj
I was trynna be your lover
Just another motherfucker
Take you to meet all my family
I even told my momma
On my brothers
I just wanted to be your last lover, love!

Watcha say?
I'm sorry baby but I'm all out of love (Watcha say?)
See I been saving it for somebody else (Watcha say?)
Got me saying why-y-y
Got me saying why-y-y
Got me saying
I'm sorry baby but I'm all out of love
Watcha say?

Watcha say?
I'm sorry baby but I'm all out of love (Watcha say?)
See I been saving it for somebody else (Watcha say?)
Got me saying why-y-y
Got me saying why-y-y
Got me saying

I'm sorry baby but I'm all out of love
Watcha say?

Woo!

Yeah all out of love I'm on a mission yeah
And I don't give a fuck about me competition yeah
And I don't give a fuck if I don't make it big (make it big)
Cause I know for a fact it ain't your fuckin' list

Nope! Ain't no list
Talk shit, catch a fist
Talk shit, whom'st you? Z-list
Alley oop from God
Dressed like Benihana makes food
Loving you is my mood
Oh, we matchin'? That's cool
Where's the tension?
Pressure in my dresser
Sharing each other's lessons
Mental with intention
Perspiration on my neck, God damn, I lost you in a second
Vapid, I got lotsa methods
Drown myself in your perspective
Praying you the exception
Exploring your love's prison sentence
Dancing in my cell like this ain't hell
You Remy pullin' on my hairs
Awaiting your name on my cell
Tears don't run out, rivers run to oceans, you know the tale

Watcha say?

I'm sorry baby but I'm all out of love (Watcha say?)
See I been saving it for somebody else (Watcha say?)
Got me saying why-y-y
Got me saying why-y-y
Got me saying
I'm sorry baby but I'm all out of love
Watcha say?
