

They Like Their Turtlenecks Ribbed

A Wilhelm Scream

Be true to self.
Don't be what you're not.
Hold on to what you've got.
Thanks a lot.
You fucking asshole.

That's fascinating news.
Now give me something i could use.
Like how to work this detonator now
This clubs got tons of assholes,
And the prettiest turtlenecks.

It's a holy water super soaker fight.
And all the denim left in Texas won't make you right.
