

## They Like Their Turtlenecks Ribbed

A Wilhelm Scream

Be true to self.  
Don't be what you're not.  
Hold on to what you've got.  
Thanks a lot.  
You fucking asshole.

That's fascinating news.  
Now give me something i could use.  
Like how to work this detonator now  
This clubs got tons of assholes,  
And the prettiest turtlenecks.

It's a holy water super soaker fight.  
And all the denim left in Texas won't make you right.
