

Alright

A

And no-one ever listens
To a word I say
[...]
[...]
Though it over and over and over again
Then you wrip me down
Trying over and over and over again
And you happy now?
You're a fool
You're gonna end up in a hole
You never finish what you started
[...] telling you I though it over and over and over again
[...] before you
Singing every day
Try to ignore you
You get my way (yeah yeah yeah!)
And it's alright (x4)
Gonna end up in a hole
Now you got me moving
Now I've got a taste
You can't stop me smiling
I'm laughing in your face
It's true
You're gonna end up in a hole
You never finish what you started
[...] telling you I though it over and over and over again
[...] before you
Singing every day
Try to ignore you
You get my way (yeah yeah yeah!)
And it's alright (x4)
Gonna end up in a hole
Laugh about me all you like
Talk behind me, I don't mind
Let me tell you I'm alright
Gonna end up in a hole (whoa-oa-oa)
Laugh about me all you like (whoa-oa-oa)
Talk behind me, I don't mind (whoa-oa-oa)
Let me tell you I'm alright!
Thought it over, over and over
Thought it over, over again
(x2)
[...] before you
Singing every day
Try to ignore you
You get my way (yeah yeah yeah!)
And it's alright (x8)
Gonna end up in a hole
You're gonna end up in a hole
You never finish what you started
Don't mind me telling you I though it over and over and over again
