

Monterey

A

When it rains in monterey
Reminds me of the choice I made
Make the winter easier to bear
Got the news of santa cruz
When all you got you got to lose
Christmas day and no one seems to care

Don't waste your time
Don't lose your mind

It's funny how the weather smells
When all the folks are doing well
Spreading all the sunshine all around
Don't know oceanography
But that's the spot to bury me
When my winter finally comes around

Don't waste your time
Don't lose your mind

Don't waste your time
Don't waste your time
Don't waste your time
