

[Mark:] Sunday football I got boot off the pitch  
Some people gamble as a way to get rich  
I gotta find a better way to invest in zeroes, oh

[Mark:] They say that rents may damage your health  
I'd rather save it all to spend on myself  
I got a letter of eviction and I'm no hero

[All:] Oh, oh, oh, oh  
[Ben:] I'm not a saver I'm a spender (Oh, oh, oh, oh-oh)  
I'm a one weekender

[All:] What can we do when our 2 worlds colide?  
[Paul:] There's only 10 ways to survive all the chances of knowing  
[All:] After a hard day of work I go home  
I dunno where I'm going, but I'm ready to go  
I made a lotta money, but got nothing to show  
And now it's 2:59 and I'm still waiting for the train to go home

[Chris:] I've been thinking 'bout the meaning of life  
Plenty of butter but I don't have a knife  
Sure beats the hell outta waiting for a ticket to Rino

[Chris:] Watching TV makes me really upset  
I wonder why I havent been on it yet  
I'm silly waiting for a part in a Tarrantino

[Ben:] (Oh, oh, oh, oh) No, no, no, no  
I'm not a saver I'm a spender (Oh, oh, oh, oh-oh)  
I'm a 1 weekender

[All:] What can we do when our 2 worlds colide?  
[Paul:] There's only 10 ways to survive all the chances of knowing  
[All:] After a hard day of work I go home  
Y'know, I dunno where I'm going, but I'm ready to go  
I made a lotta money, but got nothing to show  
And now it's 2:59 and I'm still waiting for the train to go home  
[Paul:] Yeah, yeah, I said I wanna go home

[All:] What can we do when our 2 world colide? Oh...

[All:] After a hard day of work I go home  
I dunno where I'm going, but I'm ready to go  
[Paul:] I said I  
[All:] Made a lotta money, but got nothing to show  
[Paul:] And now it's  
[All:] 2:59 and I'm still waiting for the train to go home  
[Paul:] Yeah, I'm waiting for the train to go home
