Caught in the Middle

A1

You said that love was just a state of mind
A puzzle made of pieces you can't find
And for me you never really had the time
I was blind, oh, oh

And everything that you meant to me
Is written in the pages of my history
But it's over now as far as I can see
Suddenly

Things are so different, now you're gone
I thought it'd be easy, I was wrong
(And now I'm caught)
And now, caught in the middle

Even though I'm with someone new
All I can think about is you
(And now I'm caught)
And now, I'm caught in the middle

Moving on she brings me brighter days
Thoughts of you are in my mind always
Like a memory that I can't erase
It's here to stay, wow

Things are so different, now you're gone
I thought it'd be easy, I was wrong
(And now I'm caught)
And now, caught in the middle

Even though I'm with someone new
All I can think about is you
(And now I'm caught)
And now, I'm caught in the middle

(So different)
It's so different
(So easy)
Oh, so easy
(But I can't get over you)
And I can't get over you

(So different)
It's so different
(So easy)
So easy
(But I can't get over you)
And I can't get over you, no babe

Things are so different, now you're gone
I thought it'd be easy, I was wrong
(And now I'm caught)
And now, caught in the middle

Even though I'm with someone new
All I can think about is you
(And now I'm caught)

And now, I'm caught in the middle

Things are so different, now you're gone
I thought it'd be easy, I was wrong
(And now I'm caught)
And now, caught in the middle

Even though I'm with someone new
All I can think about is you
(And now I'm caught)
And now, I'm caught in the middle

Things are so different, now you're gone
I thought it'd be easy, I was wrong
And now
Caught in the middle

Even though I'm with someone new
All I can think about is you
And now
I'm caught in the middle
