Last night I thought you said that you want me
I guess it was a crazy dream
Just think, we could be good together
I know that we were meant to be
Hey, I see your looking out for another
Save a little love for me
I'll be here waiting
Till the day you see

All I want is you to open the door
Don't fight the feeling
Don't leave me alone no more

Na Na Na Na Na Na Na Na Na Na
All we need is a miracle baby
Na Na Na Na Na Na Na Na Na Na
All we need is a miracle
Na Na Na Na Na Na Na Na Na Na
All we need is a miracle baby
Na Na Na Na Na Na Na Na Na Na
All we need is a miracle

Don't think that I will ever take for granted
The lovin' that you give to me
See you, will never be in need of another
As long as you'll be here with me
Hey. I won't be around forever
So come and take a chance with me
I promise you girl this is meant to be

All I want is you to open the door
Don't fight the feeling
Don't leave me alone no more

Na Na Na Na Na Na Na Na Na Na
All we need is a miracle baby
Na Na Na Na Na Na Na Na Na Na
