

Ready or Not

A1

Could you love a boy
Like me tonight,
Come on baby won't you take a bite
Could you love a boy like me tonight
Oh yeah!

There's magic within you,
There's magic in everything you do,
Magic me to the place where
Dreams come true.

Sometimes I go crazy
I get off the crazy things you do,
I'm jealous of every guy that
Looks at you

So tell me,
Could you love a boy like me like me
Tell me could you love a boy like me like me.

Because I need you
You're my heart and soul.
And I'm gonna let you know
Ain't gonna let you go.

Ready or not, here I come,
You can't hide from me, hide and seek.
Run away now, or stay now.
Cos I'll keep searching
I'll keep searching for love.

Could you love a boy like me
tonight,
Come on baby won't you take a bite,

The game that you're playing
Why do you tease me like you do
You gotta let me down
Or see it through.

You're straight from a movie,
But baby I'm not from Hollywood.
By stealing your heart I'll be your Robin Hood.

So tell me,
Could you love a boy like me like me
Tell me could you love a boy like me like me.

Because I need you
You're my heart and soul.
And I'm gonna let you know
Ain't gonna let you go.

Ready or not, here I come,
You can't hide from me, hide and seek.
Run away now, or stay now.
Cos I'll keep searching

I'll keep seaching for baby.

Ready or not, here I come,
You can't hide from me, hide and seek.
Run away now, or stay now.
Cos I'll keep searching
I'll keep seaching for love.

Baby-you can't hide the love inside
Searching for love
Baby-you can't hide the love inside

Could you love a boy like me like me
Tell me could you love a boy like me like me.

Because I need you
You're my heart and soul.
And I'm gonna let you know
Ain't gonna let you go.

I'll never let you go! Oh no!

Ready or not, here I come,
You can't hide from me, hide and seek.
Run away now, or stay now.
Cos I'll keep searching
I'll keep searching for love.
Ready or not here I come,
You can't hide from me, hide and seek.

Run away now, or stay now.
Cos I'll keep searching
I'll keep seaching for love.

Could you love a boy
Like me tonight,
Come on baby won't you take a bite
Could you love a boy like me tonight
Oh yeah!
