

## She Doesn't See Me

A1

When she passes me by, she's a ray of light  
Like the first drop of sun from the sky  
And I know she's a queen that deserves a king  
But I'm not a king  
And she doesn't see me

When she dances she moves me to a smile  
I see everything near her shine  
There is a grace in her ways I can't contain  
I don't have that grace  
She doesn't see me

And the closer I get  
I can't help but hide  
So ashamed of my body and voice  
There are boundaries we pass in spite of the war  
But our own, we can't seem to cross

He has a way that surrounds him, so delicate  
With a glory that reigns in his life  
He is also so much that he is not  
These things they don't see  
And she doesn't see me

There are things we can change  
If we choose to fight  
But the walls of injustice are high

When she passes me by  
She's a ray of light  
Like the first drop of sun from the sky

And I know she's a queen who deserves a king  
Someone other than me  
She doesn't see me  
She doesn't see me
