A1

You say u gonna shit it out,  
then u say u having doubts,  
telling me u wanna pull it out but then it so stinko,  
calling me day and night,  
saying it is too smelly,  
then u wanna eat it up!

I got half shit out the ass  
i dun wanna shit no more  
i make this shit long to short  
time to shit out,girl!  
no more shit no more  
i dun wanna smell no more  
becos it stinks stink like hell  
i dun wanna smell no more!

stop telling me u want to shit  
tired of the same old line  
better make it nice or i gonna faint  
i ain't taking it  
cos u noes it stinks too much,  
better let it go or i am gonna shit

I got half shit out the ass  
i dun wanna shit no more  
i make this shit long to short  
time to shit out,girl!  
no more shit no more  
i dun wanna smell no more  
becos it stinks stink like hell  
i dun wanna smell no more!

i dun wanna smell no more  
if u sure that it really stinks so much  
i dun wanna eat it now  
out the ass  
if u still dunno  
its been there so long  
and u noe its true  
its belongs to there  
wat u gonna do?

I got half shit out the ass  
i dun wanna shit no more  
i make this shit long to short  
time to shit out,girl!  
no more shit no more  
i dun wanna smell no more  
becos it stinks stink like hell  
i dun wanna smell no more!
