

## Three Times a Lady

A1

Thanks for the times that you've given me  
The memories are all in my mind.  
And now that we've come to the end of our rainbow  
There's something I must say out loud

Your once, twice, three times a lady  
And I love you...  
Yes your once, twice, three times a lady  
And I love you... I love you...

When we are together the moments I cherish  
With every beat of my heart  
To touch you, to hold you  
To feel you, to need you  
There's nothing to keep us apart

Your once, twice, three times a lady  
And I love you... I love you
