

Am pack down my balls the feds stop us cause they smelt that scent
Most savage I don't play these games
I'm getting too old on the road like Kent
April fools the jokes on you but lemme not chat too loose
I've picked my prey duck duck goose like pikachu
Yh I choose you
I'm pack down my balls the feds stop us cause they smelt that scent
Most savage I don't play these games
I'm getting too old on the road like Kent
April fools the jokes on you but lemme not chat too loose
I've picked my prey duck duck goose like pikachu
Yh I choose you
Nikz round there with a sniper bro got range so we call that rover
Me and bro Kenan and Kel man got spilled like orange soda
All that they want is confession like yz
Feds won't rest till they bag me like luggage
And I pass that zoot to the yg
Little brethren hooked now he won't stop bunning
The sweet ones calling me leng
They don't know that I'm going insane
I lost my mind age 15 now I wack mans head tryna damage his brain
Swing by your block like spider-man
I might need me a Mary Jane
I'm stuck in the T tryna break down rocks they come Johnson like Dwayne
One Head shot blow your head top back
You can't save these shots like keeper
Feds tryna arrest me like cardiac
No premier league but when opps on field you better know who your marking
Me and the gang ride out 4man in the back 3 shanks but the rams in barking
Doing them both like headie
April fools if you thought that we're good if I ever see you imma swing for
your crown
King of my block better pass that crown I'm the YIC and the boss of my town
I still take trips like Postman Pat and I'm posted on the block like Pat pat
...
Pattys talking on snap but we don't snap back we cock it and POW
I back out the flick on the pitch no rainbow flick I ain't talking 'bout the
football skill
In the back of the ride with my latex on can't shed much light but you know
the drill
And most men on my block are trash cah we been in the bin like Ladin still
I pull up on smoke and catch him outside (POW!) they need a Doctor no Phill
I got bare ps but my ps don't know me
Everything that I wear is designer drip
I put Canada on top of my stonie
I'm only gonna ask you once
Where do you live Cá bhfuil tú I do chónaí
I want a riri shine bright like a diamond
What do opp boys even know about rollies
Too many man there washed up
So I put them on the line to dry
A bunch of paigons bunch of chickens
Look at the way he got battered and fried
You talk on net like you ride for your gang
I know you'll snitch if your life's on the line
Dbo Fundz Yh a straight up Christian
But I'm way too paro looking left and right

Opps know I'm a violent guy
I walk with a ting that barks like a dog but still all the cats keep coming
Cah I am a well known rapper and they know that the kids upcoming
I came with the buss down call me Rihanna cah all of my diamonds are shining
I got the drop on a opp that day but I flopped that drop cause of black man'
s timing
Step round there put a blade to your head now you're looking like 21 savage
(huhhh)
Nobody ain't dead it's a matter of time till a man turn cabbage
6 man squashed in the back of the ride I don't mind we can manage
Minimal talk when we're going on glides so we can do maximum damage
