

Slap It

A92

Yo Kebz, where're you?
I'm kinda busy you know
Rah, link me in 5, I got the drop
Ah, swear, say nothin', let's slide
Aye

Let's-let's let's get it, let's go, slap it
Go shawty, go shawty, go Bad B with the bruck and clap it
I'm in love with the brown skin package
Anything... Man I fit make vanish, no magic, man soon turn tragic
Baby just come with the boom-boom, pagans see me they panic
Let's-let's let's get it, let's go, slap it
Go shawty, go shawty, go Bad B with the bruk and clap it
I'm in love with the brown skin package
Anything... Man I fit make vanish, no magic, man soon turn tragic
Baby just come with the boom-boom, pagans see me they panic

Nah, don't need to lotion the ting when I'm tryna pattern a bae
Just know it's an on sight ting when man like Kebz dun step in a rave
Ah, okay okay, remember when shh got-got that day
It's time to play the game, no triple h, hip hip hooray
Gyallie on me want cuff for African meat, I ain't talking about Gala
So I give her this 2" 2 Woody now she bussing it down like Thotiana
In the back of the ride like Virgil
But I stay on top of the game like Salah
Went out on the opp block lurking
But they weren't at home like Cinderella

I know about retail work
With the Ts, the way, so it's back to the bando
Money when the flip make her mind
Blow, now full stuck in the T like Zando
It's no cap when I'm speaking my mind
Yo, money come long, my...
Got dark and white, that's puff and Blanco
Can't get stuck in the wing like sand
Ksav ksav, who boss in my town?
Only 5 foot 8 and I'll still get down and I'll get man down
Yo, shawty wan dance for me, so I tell her get low, get down get down
Go, go shawty, go shawty go
Shake that ass and make it go bounce, bounce
Let me show you how the A get down

Let's get it, let's go, slap it
Go shawty, go shawty, go Bad B with the bruck and clap it
I'm in love with the brown skin package
Anything... Man I fit make vanish, no magic, man soon turn tragic
Baby just come with the boom-boom, pagans see me they panic
Let's-let's let's get it, let's go, slap it
Go shawty, go shawty, go Bad B with the bruk and clap it
I'm in love with the brown skin package
Anything... Man I fit make vanish, no magic, man soon turn tragic
Baby just come with the boom-boom, pagans see me they panic

Now they say, what goes up must come down
Better know that I play this game
No well drawn yeah, let me take that crown

Jeez, like Kebz why'd you gotta go?
Sorry dude, it's not the town
Don't pull in two two whips, pass that stick, let me whack that clown

Step in the block, best know who you repping
Ah, A's up, A's up
That opp when you see the gang stepping
We get lit, get turnt, get fucked
Magnum sipper, where's the liquor
Where's the motive, let's turn it off
D-town strip is the best about and we turn that pagan block

I don't like the other side and the opps don't like me too
Get the drop, now we go on a glide, make sure dem pagans who's on who
Bally on face when I hop out the ride and latex gloves in baby blue
Got love for your pagan baby, your pagan bae wan fuck with the crew

Boom boom, let's go to the room
I don backseat drives like Roddy
Now the backseat filled up with fumes
Yo, want to cough like zoom, the other niner ran away from fumes
Ksav don't lie on tunes, pop this smoke and aim for the moon
A92, some well-known goons

Let's-let's let's get it, let's go, slap it
Go shawty, go shawty, go Bad B with the bruck and clap it
I'm in love with the brown skin package
Anything... Man I fit make vanish, no magic, man soon turn tragic
Baby just come with the boom-boom, pagans see me they panic
Let's-let's let's get it, let's go, slap it
Go shawty, go shawty, go Bad B with the bruk and clap it
I'm in love with the brown skin package
Anything... Man I fit make vanish, no magic, man soon turn tragic
Baby just come with the boom-boom, pagans see me they panic
