Are You Ready

Are You Ready
(Sunset Park Motion Picture)

Representin' for the ladies
Hangin' outside
Takin' in light
(You know I'm comin' back, Tell me if you're ready)
Breakin it down for the fellas
Keepin' it smooth
Keepin' it tight
(You know I'm comin' back, Tell me if you're ready)

Hey You
I heard
You wanted to partay
Well I
Feel The Same
So I'm willin' to show ya
What the music does to me oh baby

Hook:
It's in the rhythm and it's givin' me emotion (Givin' me babe)
I often find it in strong culiminic potion

(There's no way around this groove
And I have come back to thank you ooooooooooooooooooooo)
