

Beats 4 Da Streets

Aaliyah

Aaliyah, Aaliyah, wake up
You just now entered into the next level (Yes)
The new world of funk, as we do it one time
Creepin' through the fog, who that y'all?
A-A-L-I-Y-A-H
Creepin' through the fog, who that y'all?
A-A-L-I-Y-A-H

I got the beats for the streets (A-A-L-I-Y-A-H)
Everything I make is so unique, hey (A-A-L-I-Y-A-H)
Say, "Hey," if you down with me (Hey, A-A-L-I-Y-A-H)
If you step to me, there's no need (A-A-L-I-Y-A-H)

Creepin' through the fog, who that y'all?
Damn, she be the bomb (Say what?), dang
Creepin' through the fog, who that y'all?
Dang, damn, she be the bomb
Wake up, goodnight
