

# Let Me Know

Aaliyah

Let me Know  
Let me Know  
Let me Know  
Let me know  
Let me know

When I feel  
What I feel  
Sometimes it's hard to tell you so  
You may not be in the mood to learn  
What you think you know  
There are times  
When I find  
You wanna keep yourself from me  
When I don't have the strength  
I'm just a mirror of what I see

But at your best you are loved  
Your a positive motivating force within my life  
Should you ever feel the need to wonder why  
Let me Know  
Let me know

When you feel  
What you feel  
Oh how hard for me to understand  
So many things have taken the least before this love affair begins  
But if you feel  
Boy like I feel  
Confusion can get weighed out  
For there are times when I felt sure of what I say  
Of what I say I'm all about (All About)

But at your best you are loved  
Your a positive motivating force within my life  
Should you ever feel the need to wonder why  
Let me Know  
Let me know

Tell me what it is (echo)  
I dont feel the need to make beleive

Cus at your best you are loved  
Your a positive motivating force within my life  
Should you ever feel the need to wonder why  
Let me Know  
Let me know

Ha Ha how noo  
Please stay at your best baby
