

Beautiful Ones

Aaradhna

All the beautiful ones
All the wonderful, beautiful ones
You'll never be forgotten
Never will forget you

Close my eyes, think of a time
All the dreams I have of you
Always will remember, never will forget you
Oh, your smile, lives in my mind, ooh

All the beautiful ones
All the wonderful, beautiful ones
Beautiful ones, hmm
Wonderful, beautiful ones

Time will go by, still I won't forget you
How can I forget you?

All the beautiful ones
All the beautiful ones
All the beautiful ones
All the beautiful ones
